- Komen for the Cure began its partnership with Zeta Tau Alpha (ZTA) fraternity, in partnership with the ZTA Foundation, in 1992. As a Sponsor of the National Series Breast Cancer Survivor Recognition Program at Komen Race for the Cure® events, ZTA members nationwide volunteer countless hours in support of local Race events. ZTA, celebrate breast cancer survivors by providing the signature pink t-shirts and caps for survivors to wear during the Race. Race participants receive “In Memory of” and “In Celebration of” back signs to honor a friend or loved one.
